

Kimchee To Go  
**ALLERGENS INFORMATION**  
v2 2015

---

## Introduction

---

When we opened our flagship KIMCHEE restaurant in Holborn in 2011, Korean cuisine was relatively unknown in the capital. Our restaurant now feeds thousands of hungry diners every week and it is clear Londoners have developed a real taste for Korean food.

Listening to our guests we realised there was a real demand for tasty and healthy Korean food on the go.

---

## Welcome to KIMCHEE TO GO

---

Introducing a range of innovative, quick and healthy take away Korean dishes such as our signature namesake Kimchee and a variety of mix-your-own Bibimbaps, Korean Kimbap rolls, our bento-style Dosirak boxes, good-for-you salads and freshly-made noodle soups.

---

## Allergens information

---

Kimchee allergens information is obtained from testing in accredited laboratories and information provided from Kimchee suppliers.

Every care and attention has been taken to ensure all information in this document is as accurate as possible at the time of printing.
